Join today at [NGoodHealth.com](http://NGoodHealth.com)!

*If you already have a Planet Fitness membership, you must cancel it at your home club, then sign up for a new membership on [NGoodHealth.com](http://NGoodHealth.com).*

# Frequently asked questions

## I'm already a Planet Fitness member. Can I switch to the Norton Healthcare corporate membership plan?

Yes, but the only way to do so is to cancel your current membership at your home club and then rejoin as a Norton Healthcare member at **NGoodHealth.com**. Check with your local club to learn if you'll have to pay a cancellation fee.

## I'm already a Planet Fitness member. How can I earn healthy action points for my visits?

If you have a current Planet Fitness membership and are not bound to a 12-month commitment, you will need to cancel your current membership and then rejoin as a Norton Healthcare member at **NGoodHealth.com**. You will begin earning healthy action points for your visits, which are counted toward completing N Good Health's step 4.

## What if I am under a 12-month commitment with Planet Fitness?

If you are currently under a 12-month commitment, check your renewal date and cancel your current membership **after** you have met your 12-month commitment; then rejoin under the Norton Healthcare corporate membership by visiting **NGoodHealth.com**. You can still earn step 4 points during this time by requesting a copy of your visit report from your club each month and faxing it to N Good Health at **(502) 666-7667** within 30 days of your visit.

## How long will it take for the points I earn for my visits to show up in my N Good Health account?

We receive check-in reports from Planet Fitness once per month and upload the information to member accounts as soon as possible.

## Can my spouse join Planet Fitness as a Norton Healthcare member and earn healthy action points toward N Good Health's step 4?

Yes. Spouses on a Norton Healthcare medical plan can join Planet Fitness as a Norton Healthcare member at **NGoodHealth.com** and earn healthy action points.

## Can I go to a local Planet Fitness club and join as a Norton Healthcare member?

No. You will not receive the Norton Healthcare employee discounts if you join at a local Planet Fitness club. You will receive the discounts only if you join as a Norton Healthcare member at **NGoodHealth.com**.

## What is the difference between the Classic membership and the Black Card membership?

### Classic membership:

- ✓ Unlimited use of your home club
- ✓ Free fitness training

### Black Card membership:

- ✓ Unlimited use of your home club
- ✓ Use of any Planet Fitness club worldwide
- ✓ Bring a guest anytime
- ✓ Access to the Black Card Spa
- ✓ Free fitness training

## After I join as a Norton Healthcare member at NGoodHealth.com, what is my next step?

- Print your confirmation email and bring it to your home club.
- Check in at the front desk and tell a team member there that you joined a corporate membership online.
- A team member will give you your key tag and a tour of the club, and answer your questions about Planet Fitness.
