# Frequently asked questions

## Can I go to a local Planet Fitness club and join as a Norton Healthcare member?

Yes. The only way to sign up for the Norton Healthcare membership is to visit a local Planet Fitness club with your employee badge.

## I'm already a Planet Fitness member. Why should I switch to a Norton Healthcare corporate membership plan?

The Norton Healthcare membership waives the annual fee for Black Card members. To change to the Norton Healthcare membership, visit your home club with your employee badge and ask for your membership type to be changed to a Norton Healthcare membership.

## Can my spouse join Planet Fitness as a Norton Healthcare member?

Yes. Spouses on a Norton Healthcare medical plan can join Planet Fitness as a Norton Healthcare member. However, the spouse must accompany the employee for initial sign-up at the home club of their choice, and the employee must present a Norton Healthcare employee badge.

## What is the difference between the Classic membership and the Black Card membership?

### Classic membership:

- ✓ Unlimited use of your home club
- ✓ Free fitness training

### Black Card membership:

- ✓ Unlimited use of your home club
- ✓ Use of any Planet Fitness club worldwide
- ✓ Bring a guest anytime
- ✓ Access to the Black Card Spa
- ✓ Free fitness training

## I signed up for Planet Fitness previously through NGoodHealth.com. What do I need to do, and what will change for me?

There will not be any changes to your Planet Fitness membership or actions that need to be taken. Just keep enjoying your workouts!
