Frequently asked questions

I'm an existing Crunch Fitness member. Why should I switch to a Norton Healthcare corporate membership plan?

The Norton Healthcare corporate membership provides you with all the same membership perks at a reduced rate. Bring your Norton Healthcare employee badge to your club's member services desk to enroll in the corporate membership so you can start enjoying the discount on your next monthly payment. Only valid on the Peak Results membership type. Some restrictions may apply.

Can my spouse/household member join Crunch Fitness as a Norton Healthcare corporate member?

Yes. Your spouse or adult member of your household can enroll with proof of your employment and shared address. Only valid on the Peak Results membership type.

What are the different membership plan types?

Norton Healthcare employees enjoy nationwide access to Crunch Fitness centers (excluding Crunch Signature locations) with the corporate Peak Results membership plan. Membership fees are:

- ✓ \$24.99 per month, no contract (savings of \$10 per month)
- ✓ \$39.99 annual maintenance fee, paid after 60 days (savings of \$20 per year)
- ✓ Waived enrollment fee (savings of \$75)

What is included in the Peak Results membership plan?

- ✓ Gym floor (weights, cardio and more)
- ✓ Group fitness classes
- ✓ Access to multiple clubs
- ✓ High-intensity interval training (HIIT) classes and R&R classes
- ✓ Unlimited guests
- ✓ Locker room access

How do I earn N Good Health program activity points?

Each time you visit a Crunch Fitness center, scan the Norton Healthcare QR code near the entrance with your smartphone. Then, sign in to your N Good Health account to earn two points for that visit, for a maximum of 200 points for the year.
